## FEEDBACK FROM TOP GOALIES

I've been using BLINDSAVE gear for more than five years now. It's not only high quality stuff, but also helps you to become a better goalkeeper.

***Pascal Meier, goalie of team Switzerland,  
MVP of World floorball championships 2018***

For me BLINDSAVE is an easy pick as the number one when it comes to goalie equipment for several reasons. First of all the good protection and the functionality but also for how it fits and the smoothness.

***Amanda Hill, goalie of team Sweden***

I like BLINDSAVE gear cause it feels amazing! I can give it 100% in every game situation with a feeling of comfort and full protection!

***Mike Trolle, goalie of team Denmark***

BLINDSAVE is the best goalie gear I have ever used
